

Tell Your Story with Kristy Wolfe Photography

1) What story do you want to tell? Why do you want to tell it? Who is your audience?

2) Where is your story taking place? Introduce your viewer to where your story takes place.

3) Who is your main character? Introduce your viewer to the person your story is about.

4) What challenges is your character facing? How can you show this visually?

5) Who is helping your main character? Aim to capture connections between characters.

6) How will you tell your story? Who is your audience? Will you print it for yourself or share it?
